Peter Jakubička

Chief Operating Officer
IPM Group
Bratislava
Slovak Republic

PRESENTATION

Alternative Investments in the Environment Sector.

Alternatívne investovanie v oblasti životného prostredia.

LECTURER'S PROFILE

Peter Jakubička currently serves as a Chief Operating Officer at IPM Group, which he joined in 2018. Ever since he has played a crucial role in coordinating various IPM teams and steering all business lines side by side with the partners, achieving a healthy pipeline of investment opportunities and a steady AUM growth. Prior to joining IPM, Peter was a Business Development Manager with Circle Partners, a global fund administrator of hedge and private equity funds headquartered in the Netherlands. During Peter's tenure, Circle administered in excess of US\$10bn of assets across more than 300 global investment funds with a large variety of strategies. Peter started his career at DLA Piper and has more than ten years of experience in the global financial industry across Europe, Latin America and the United States.

ORGANIZATION'S PROFILE

IPM Group ("IPM") provides a wide range of financial advisory, investment management, and family office services and has more than one billion US dollars in assets under management. IPM is pioneer in the InfraTech sector, investing at the cross-section of the infrastructure real asset and technology worlds (in energy, mobility and AI-enabled critical infrastructure). Our portfolio includes large-scale infrastructure projects, such as Dunkirk LNG Terminal in France, or a number of ground-breaking technological companies in Silicon Valley and Europe, including Tachyum, InoBat, GA Drilling, ESS and many others. At IPM we aim to create a positive economic impact and long-term value for our clients, the companies we invest in, and the communities in which we work. Our goal is to foster the growth of innovation ecosystem and together with our like-minded partners, we aspire to create a complex value chain that will have a positive impact on the world around us, creating a sustainable future for the next generations.

PROFIL PREDNÁŠAJÚCEHO

Peter Jakubička pôsobí ako Chief Operating Officer v rámci IPM Group, kde začal pracovať v roku 2018. Peter je primárne zodpovedný za riadenie tímov v IPM a riadenie všetkých obchodných línií spoločne s partnermi, kde nesie zodpovednosť za zdravý pipeline v oblasti investorov a investícií. Pred nástupom do IPM Peter pracoval ako Business Development Manager v Circle Partners. Circle je globálny administrátor hedžových a private equity fondov so sídlom v Holandsku. Circle Partners spravoval viac ako US\$10 mld. a viac ako 300 investičných fondov po celom svete s veľkým množstvom rozličných stratégií. Peter pracoval na viacerých miestach Európy, v Karibiku a Spojených štátoch. Peter začal svoju kariéru v DLA Piper a má viac ako 10 rokov skúseností v medzinárodných firmách v oblasti financií naprieč Európou, Latinskou Amerikou a Spojenými štátmi.
